To Whom It May Concern

This serves to confirm that Veld Cooper & Associates (Pty) Ltd were appointed by the Morvest Group since 2008 to consult and assist with our Skills Development needs.

VCA have been instrumental in helping us to achieve our legislative requirements in terms of Skills Development.

Their organisation employs qualified and experienced specialists who offer a highly professional service in terms of information and advice coupled with a quick turnaround time in achieving our objectives.

This has allowed the Group more time to concentrate on its core business whilst its Skills Development compliances are dealt with by the specialists at VCA. All of these components give VCA its competitive edge and we would have no hesitation in recommending the company to those seeking their services.

Please feel free to contact me should you require any further information.

Yours faithfully,

Dr Brenda Sham
