DEVELOPERS OF HIGH PERFORMANCE, HIGH PRODUCTIVITY, EDUCATIONAL SOFTWARE

30 November 2016

To Whom It May Concern

This serves to confirm that Veld Cooper & Associates (Pty) Ltd were appointed by CAMI Education (Pty) Ltd since 2008 to consult and assist with our Skills Development needs.

VCA have been instrumental in helping us to achieve all our legislative requirements as detailed previously.

Their organisation employees are qualified and experienced specialists who offer a highly professional service in terms of information and advice coupled with a quick turnaround time in achieving our objectives.

This has allowed the company more time to concentrate on its core business whilst its HR needs are dealt with by the specialists at VCA. All of these components give VCA it's competitive edge and we would have no hesitation in recommending the company to those seeking their services.

Please feel free to contact me should you require any further information.

Yours faithfully,

ROBERT VILJOEN
General Manager

Directors: Charl J Vorster, Sarie Vorster
