Dear Lucy

LETTER OF APPRECIATION

Sparrow Schools would like to take this opportunity to thank VCA for sponsoring two of our employees on First Aid Level 1 training received on the 13th & 14th of October 2016.

Your donation has significantly aided Sparrow Schools staff to continue to provide our Learners with quality education and services. We are so grateful for this generous donation. It is donations such as these which remind us that our work with the youth of South Africa goes neither unnoticed nor unaided. By making this donation to Sparrow Schools and by showing such thought and consideration towards our staff and learners, you have helped us to better equip our staff and contribute to these young South Africans' future.

We greatly appreciate your support and we look forward to a continued relationship with you in the future.

Yours Sincerely

J. Naicker
